

Welcome to LANGLEY HIGH SCHOOL Class of 2025!

We are excited to share our high school parenting experience together with you! Like so many, our children have faced unprecedented challenges, and they will be arriving at Langley hoping for a fresh start in numerous ways. As your Class Parents, we hope to help their Langley experience, and yours, to be as burden-free, fun, safe, and meaningful as possible by planning memorable events and keeping you well-informed over the next four years.

We look forward to making sure you know about Langley events and activities, and how you and your student can participate to make the most of their time at Langley. And we're starting right now. Below we provide some very important information to bring you up to speed on student life at Langley and to kick the year off right.

1. Subscribe for Class of 2025 Parent Emails

The school is not allowed to provide us with your email address. So, you must opt-in to receive important Class of 2025 Parent emails. Please click on or copy this link *now* for the 30-second sign-up form: [2025 Parent Email Sign-Up](#)

2. Work through the Class of 2025 Langley Parent Start-Up Guide

The Parent Start-Up Guide helps you prioritize items so you and your child more easily transition to Langley High, and it **consolidates all the important dates and other "getting started" information you need to know into a single place.** **Find the Parent Start-Up Guide on the 2025 webpage, below.**

3. Visit the Class of 2025 Webpage

These four years will fly by, during which our children will change and learn so much. Throughout it all, we hope to be able to look to each other for friendship, respect, and support, while our children do the same. Please look for us at school events and feel free to contact us with any questions. Our email addresses can be found in the **Langley 2025 Parent Start-Up Guide** on our webpage. We look forward to knowing you all and to a great Freshman Year!
