

Class of 2024 Welcome Letter

Welcome to LANGLEY HIGH SCHOOL Class of 2024!

As your class parents, we look forward to making sure you know about current events and activities at Langley throughout the year and how you and your student can participate! In light of Covid-19 and our virtual start, we are working to adapt to changing circumstances and many things are obviously not going to look how we anticipated. However, rest assured, we are busy working on reimagining ways for us to connect with you and have several events in the works to kick off the year and bring you up to speed on student life at Langley. Below you will find important information and key dates. Please feel free to contact us with any questions. We are looking forward to a great Freshman Year!
